

THRIVE VOLUNTEER

Job Description:

The Thrive Volunteer assists in outdoor activities like hiking, rafting, kayaking, camping, or rock climbing while incorporating biblical truths through experiential learning. With a focus on building community and fostering spiritual growth, the volunteer role requires a heart of service, adaptability, and a commitment to spiritual guidance and growth.

What the Job Entails:

Assisting with the facilitating, logistics, and labor of outdoor programs and retreats:

- Helping design itineraries, selecting appropriate activities based on group needs, and co-leading activities like backpacking, canoeing, climbing, or whitewater rafting
- Learning to write experiential programs, devotions, and other materials practically applying biblical truths
- Assessing cultural needs at large and specific needs of the group, and strategically considering ways to meet those needs and point people to Christ

Spiritual reflection and discussion:

- Incorporating devotional time, prayer, and group sharing into outdoor experiences
- A willingness to share the gospel and your personal testimony

Group leadership and team building:

 Fostering positive group dynamics, managing conflicts, and ensuring the safety and well-being of participants.

Outdoor skills instruction:

- Learning a basic outdoor skill like paddling, belaying, climbing and navigation
- Learning safety talks of potential risks
- Setting up and maintaining campsites, ensuring cleanliness and following environmental protocols

Marketing:

Promoting outdoor ministry programs to local churches, organizations, families and individuals

Qualifications:

Outdoor skills:

Experience in various outdoor activities

Leadership abilities:

• Experience leading groups in outdoor settings, conflict resolution and communication skills

Spiritual maturity:

- Commitment to Christ with the ability to integrate spiritual themes into outdoor experiences
- Involved in a local church
- Ministry experience

Education:

• High School graduate
