

MARRIAGE

ARE YOU LONGING FOR AN ADVENTURE TOGETHER? GROW IN YOUR MARRIAGE AS A REFLECTION OF CHRIST AND AS A MEANS OF GREATER JOY AND INTIMACY AS A COUPLE.

*Journey to Oneness 2.0
Wilderness Adventure
July 11-13*

Camping & Canoeing on the St. Croix

Does your marriage feel like it is under attack, or that you fight circular battles? Are you feeling apathetic toward your spouse or just failing to find new life in your marriage? Or, are you in a season of great delight in your spouse and really want to make it last? The best thing about sanctification is that we are constantly being made better. In marriage that means that God's plan is to use both your challenging circumstances and your healthy relationships to make you and your marriage even stronger and more honoring to Him.

Come away for a weekend of fun and growth in God's creation with the person God intends to be your greatest gift.
